Corrigendum

Corrigendum to “Assessing thermal energy storage technologies of concentrating solar plants for the direct coupling with chemical processes. The case of solar-driven biomass gasification” [Energy 75 (2014) 45–52]

Flavio Manenti ^{a,*}, Andres R. Leon-Garzon ^a, Zohreh Ravaghi-Ardebili ^a, Carlo Pirola ^b^a Politecnico di Milano, Dipartimento di Chimica, Materiali e Ingegneria Chimica “Giulio Natta”, Piazza Leonardo da Vinci 32, 20133 Milano, Italy^b Università degli Studi di Milano, Dipartimento di Chimica, Via Golgi 19, 20133 Milano, Italy

For the above mentioned article, the contributors agreed upon the order of authors as Flavio Manenti, Zohreh Ravaghi-Ardebili, Andres R. Leon-Garzon, and Carlo Pirola. While the authors agreed upon this order, the order was printed incorrectly by the publisher.

The publisher and journal manager apologize for this error and regret any inconvenience caused the authors.
