

# The Tire Society

## INFORMATION FOR AUTHORS

33rd Annual Meeting and Conference on Tire Science and Technology  
John S. Knight Center, Akron, Ohio, USA | September 8-10, 2014

### Abstracts

Abstracts of papers intended for presentation should be submitted by **April 15, 2014**. Abstracts should observe style conventions as exemplified in *Tire Science and Technology*. Use the example abstract found [here](#) as a template for submission. Abstracts must be submitted online using the URL provided below. NO submissions will be accepted via email or regular postal mail. Please note that abstracts may be edited to provide consistent style for publication on the Society's web site and in the conference abstract booklet.

#### Abstract submittal instructions

Step 1: Register at site <http://tiresciencetechnology.allentrack.net/>

Step 2: Login to the site

Step 3: Choose "Manuscript Submission" from the left menu

Step 4: Choose "2014 Abstract" for regular submissions or "2014 Student Abstract" for student submissions

Step 5: Upload the Abstract as either a Microsoft Word or LATEX document

Continue to follow the instructions on the page until the abstract is validated and submitted. Notification of acceptance will be sent out by **May 15, 2014**.

Accepted authors are expected to submit a manuscript, contact and biographical information by **August 1, 2014**. See sections below to submit a manuscript.

### Speaker Information

Speakers are allotted 20 minutes for conference presentation. Speakers will receive an email with a login and password to the repository for uploading presentation files after their abstract is accepted. Upload all pertinent files – movies, audio, PowerPoint files to the folder with corresponding last name no later than **August 1, 2014**

### Paper Achievement Awards

Paper presentations are judged for Superior Paper Award & Honorable Mention Award. A special Superior Student Paper Award of \$500 will be given to the best paper authored by a university student. More information about the student paper can be found [here](#). To be eligible for awards, the abstract and paper must be submitted by the

deadlines.

## Manuscript of Paper

Final paper manuscripts must be submitted online by **August 1, 2014**, unless prior arrangements have been made with the program chair. To be eligible for awards, papers must be submitted by **August 1, 2014**. Submitted papers will be considered for publication in *Tire Science and Technology*. Only papers not previously published will be accepted, and authors must agree not to publish elsewhere a paper submitted to and accepted by the Society.

### Order of Assembly

- Title page (including the authors' complete mailing address)
- Abstract and keywords
- Body of manuscript
- Bibliography
- List of table titles, followed by tables
- List of figure captions followed by figures

### Conventions

Manuscripts of submitted papers should observe style conventions as exemplified in *Tire Science and Technology*. See the Tire Society [website](#) for more information.

SI units should be used throughout the text and on the figures; authors may include other units in parentheses.

Manuscripts must be double-spaced and must follow the conventions used in the template manuscript provided [here](#).

### Submission

An email will be sent out after the abstract is accepted with link for submitting the manuscript. The author is then expected to upload additional files for the manuscript submission to the journal. NO submissions will be accepted via email or regular postal mail.

A Transfer of Copyright form must be completed online. No papers will be accepted if the Transfer of Copyright agreement is not completed.
