A short detour through history	vii
A brief history of the Sciences ²⁰²⁴ project	ix
An experimental attempt to reconstruct the ancient greek long jump with halteres	xiii
I Biomechanics and Training	1
1 Propulsion in front crawl swimming	3
2 Tethered swimming, a simple and relevant tool for measuring propulsive force in aquatic context	15
3 Cycling biomechanics: pedalling technique and aerodynamics	31
4 Functional Electrical Stimulation Cycling: An Electrifying Sport	41
5 Force-velocity profile in bobsleigh	51
II On the Field	61
6 CFD wind forecasts for archery competition	63
7 How we designed the Paris 2024 Olympic track	75
8 3D tracking of cyclists in velodromes using videos captured from a single position	87
9 How Camera Angle Impact Table Tennis Ball Bounce Tracking	101
10 Swimming in the Seine River at the Paris 2024 Games	113
11 Standing starts in Track Cycling	125
III Frictions	135
12 Cyclist body position characterization in wind tunnels	137
13 Field measurements of drafting effects in cycling	149
14 Windsurf-mimetic study about unsteady propulsion	161
15 Aerodynamic characteristics and flying shape of an iQFOIL sail	171
16 Rolling resistance in road cycling: Effect of road surface and tyre pressure	181
17 Physics of cleat-grass friction: application to rugby scrum	189
IV Materials and Measurements	201
18 A Preliminary Approach to Semi-Automatic Classification of Breaking Movements Using Pose Estimation	203
19 A connected wall for biomechanical speed climbing analysis	215
20 Feasibility Study for a 433 MHz and 868 MHz Swimmer Tracking System	223
21 Experiments on table tennis serves : speed, spin and bounces of the ball	231
22 The science of Running-Specific Prostheses: innovation for performance	243
23 Reproducing controlled ventilation on a kitefoil olympic series	255
V Optimization and modelling	263
24 VPP for Olympic Windfoil: Impact of Athlete Morphology	265
25 A Velocity Prediction Program for the Olympic kitefoil	275
26 Optimal routing in sailing	283
27 Physics of the optimal speed–accuracy trade-off in modern pentathlon	293
28 Naïve view on Rugby Scrums	305
29 Cycling in the Wind	315
